

Camera Club of Boca Raton  
Digital Projection Guidelines

December 12, 2008

### Image Requirements

Dimensions: The image may not be any larger than 1024 pixels wide and 768 pixels high.

#### Resolution :

Images should be at 72 p.p.i ( pixels pre inch ). This will help keep the file size smaller.

#### File format:

All images are to be in JPEG format.

#### File Name:

Images should have the last name, then the camera club number , and then file name. Example:

Seidenstucker677\_xxx0011.jpg

This will help me keep the images organized.

#### Image submittal guidelines :

email your images to [alseiden@mac.com](mailto:alseiden@mac.com) no latter than one week before the regular meeting.
